LIGHTHOUSE CHALLENGE

of New Jersey 2024

The Lighthouse Challenge of New Jersey is a rain or shine two day opportunity to visit 11 lighthouse sites, a museum and 3 life saving stations. Participants will begin the Challenge by paying a \$5 registration fee at their first stop. Here they will receive a “Silver Jubilee” Lighthouse Challenge passport book in commemoration of the 25th year of the Challenge. This souvenir passport will have 2 pages designated for each Challenge site with a place for a visitation sticker along with some fun facts about that site. The proof of visitation stickers will be in silver with an image of each site. Challengers will have to visit each site before 6 pm on Sunday to complete the Challenge and collect all the stickers for their passport book. Those who do complete the Challenge will have their names included in a drawing in which 3 lucky persons will have a chance to win first, second, or third place prize baskets of assorted lighthouse gifts.
